### ADVANCED PAYMENTS 2012

As a condition of acceptance of a place in the School, an advance payment is required. This is to secure a place in the School as against other potential applicants on the waiting list and for the purposes set out in what follows.

The amount so paid is not refundable unless written notice is received by the School at least one full term before the place is due to be taken up, in which case half of the amount will be refunded.

You have a choice of:

- i) paying the refundable amount shown below and having it refunded, without interest, less any amounts owing, when your daughter leaves the School, OR
- ii) you may donate the non-refundable amount shown below to the School. Please note that once a donation has been made to the School, it will not be refunded. If, at the time your daughter leaves the School, you donate the amount to the School, a section 18A tax certificate will be issued to you at the end of the tax year.

Current parents may, if they wish, convert their advance payment to a donation.
