Cutting the cake at our Patronal Festival

From the head's desk

Dear parents

The work and achievements of the Community Affairs department are usually reported on in a newsletter that is specifically about community affairs. However, I am choosing to profile this department in my newsletter because I believe it is integral to St Mary's ethos. This important work continues throughout the year and makes a significant contribution to society-building.

Linda Giuricich leads our community projects, which are varied and effective. Not only do they contribute to the education and support of children in our extended community, but they also give our girls the opportunity to learn valuable lessons about the South African socio-economic reality and the difference that individuals can make.

The main projects include:

- The Alexandra High Schools'

Programme, which has been running at St Mary's for 25 years. Three hundred learners from Grade 9 to Grade 12 attend classes every Saturday at St Mary's. These lessons are also supplemented by holiday classes and extra Maths lessons during the week. The learners are also exposed to entrepreneurial and career workshops

- Learners from Waverley Girls' High School attend co-curricular activities at our school, and we run development swimming at Waverley
- Our girls teach a Mathematics programme to the Grade 5 learners at HA Jack Primary School, and they facilitate a physical education programme for Grade 4s
- Twelve Physical Science teachers from Alexandra attend monthly workshops at St Mary's
- The Senior girls support collections

Dates to Diarise

Fri 29		Takkie tax day
	08h00	Rowing golf day
	15h00	Squash matches (away)
Sat 30		Gauteng Youth Jazz Band auditions
	08h30	Hockey vs St Andrew's (home and away)
		Gauteng Top Schools' Squash
	14h00	FV Dramatic Arts ESIT practicals
Sun 31		Gauteng Top Schools' Squash
June		
Mon 1		Form IV examinations begin
Tues 2	13h00	IEB FV Consumer Studies PAT 1
	14h45	Hockey (home and away)
	17h30	Rowing AGM
Wed 3		Form III examinations begin
		School exco review
	15h00	Netball matches (away)
	16h00	Hockey (at home)
Thurs 4		Senior School management review
	14h15	FV Art prac
Fri 5		Senior School management review
	13h00	IEB FV Consumer Studies PAT 1

	18h30	FV Afrikaans Pit Productions - St David's Marist, Inanda
Fri 12		Study day
	05h30	Depart for ISSF at Epworth

for charities, and organise a number of service outings and trips

It is our aim that these programmes will make a difference in the individual learners' lives, and lead to better educational opportunities. Last year, 42 learners from our Alexandra programme were enrolled in tertiary institutions. Linda often receives positive feedback from alumni about the impact of the Alexandra High Schools' Programme. An example of such feedback follows:

Dear Ms Linda

I am pleased to inform you that I have successfully completed my first year at Michigan State University. The journey up to this point has been challenging and has required me to work harder than ever before. I've learnt many lessons, made friends and discovered new things about myself. My end of year results came in yesterday and I am proud to say that I did well, even

better than I expected. My performance was even recognised by the dean of the college of engineering through a message that he sent me. Please find it below:

"Dear Lucas Moises Manhice,

I was extremely pleased to learn that you earned a perfect 4.0 grade point average in the spring semester of 2015. In doing so, you are among only 286 of a total of 4 954 engineering students enrolled in the past semester that share this accomplishment. You are a tremendous source of pride to the College.

On behalf of all the faculty and staff of the College of Engineering, let me convey my heartiest congratulations on this exceptional achievement. Your accomplishments are notable, and I encourage you to further direct your abilities and talents toward pursuing coursework, research, service and other co-curricular ventures that will even

further develop you, both personally and for the benefit of others.

Again, congratulations!

*Sincerely
Leo Kempel*

Dean, College of Engineering"

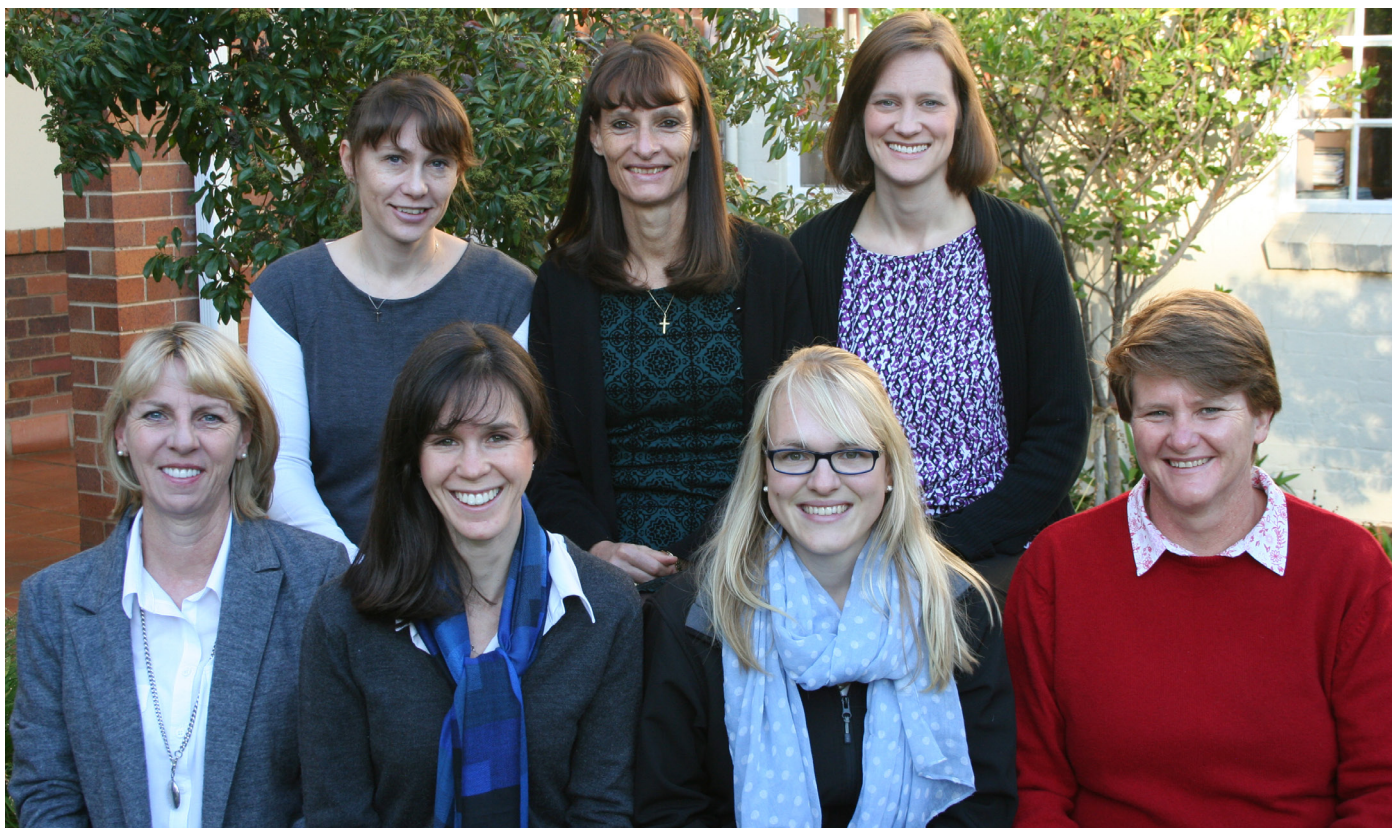

I hope that you continue to identify and continuously support young dreamers like myself. I can never thank you enough for how much you've impacted my life.

Regards
Lucas

The impact we can make is often downplayed. St Mary's believes in hands-on social responsibility projects that are beneficial to the wider community and our girls.

From the chaplain

A prayer by William Barclay to pray or reflect on at the beginning of the day:

O God, our Father, help us all through this day so to live that we may bring help to others, credit to ourselves and to the name we bear, and joy to those who love us, and to you.

Help us to be,

Cheerful when things go wrong;

Persevering when things are difficult;

Serene when things are irritating.

Enable us to be,

Helpful to those in difficulties;

Kind to those in need;

Sympathetic to those whose hearts are sore and sad.

Grant that,

Nothing may make us lose our tempers;

Nothing may take away our joy;

Nothing may ruffle our peace;

Nothing may make us bitter towards any person.

So grant us that through this day all with whom we work, and all those whom we meet, may see in us the reflection of the Master, whose we are, and whom we seek to serve. This we ask for your love's sake.

Amen

Derby day Art challenge

Jessica and Jordyn in front of the finished art product

The Visual Arts girls were involved in an art challenge on derby day at Durban Girls' College. After tearing shades of green and red out of magazines (representing our two schools' colours), the girls cut out various shapes symbolic of the schools and pinned them to a large yin-yang sign on a board. The girls enjoyed working in the art room, which has wonderful views of the sea and city. Hues of green and red against a white background symbolised the birth of the tradition that is derby day.

Sue Heydenrych

HoD: Visual Arts

Working together

Schools' combined artwork

Derby day Mathematics competition

The Mathematics competition proved to be a very exciting activity. The competition comprised two sections, an olympiad-style question paper and a board game. The popular board game 30 Seconds was used, except with a mathematical twist. The St Mary's Senior School Mathematics

department developed 30 Seconds cards that contained only Mathematics words. It was wonderful to see pupils from both schools try their best to describe tricky mathematics concepts while fighting the clock. Our junior team won their sections and our senior team lost by the slightest

of margins. The event was a great success and we thank all the girls not only for participating, but also for their energy and enthusiasm.

Mathematics advice on the stands while watching hockey

Derby day cultural activities

The derby day also provided girls in the cultural sphere with an opportunity to showcase their talents. The following activities were on offer during the day: debating, public speaking, slam poetry, chess and art. The debating teams were given challenging motions, but rose to the occasion and provided some persuasive arguments. Layla achieved best speaker for the St Mary's team. Slam poetry proved to be a popular choice and eight St Mary's girls participated. Katleho in Form II was the best junior slam poet and Thidziambi, also in Form II, was the

best in the senior section. The adjudicators were particularly impressed with her self-penned poem, titled *I Had an Idea*.

The public speakers participated in a best impromptu speaker competition, and girls were divided into teams consisting of participants from both schools. They had 20 minutes to prepare a two-to-three minute speech on an unseen topic. Courtney and Mutsa, both in Form IV, were announced as best speakers within their respective teams. The adjudicators were impressed with their

well-structured speeches and confident delivery. Kristin, in Form III, achieved best speaker for her junior team. The chess teams did particularly well, and won 38 of their matches to Durban Girls' College's 28.

Thank you to all the girls who participated.

Friendship with Durban Girls' College solidified

In an effort to enhance our connection and friendship with Durban Girls' College, four Form III girls have successfully completed the inaugural local exchange programme between our two schools. Camryn, Yashmiri, Xalati and Bridget were selected to spend two weeks on exchange in Durban.

This exchange offered girls the opportunity to stay in one of the boarding houses during the week, and over the weekends they were home-hosted by fellow Form III girls, where new friendships were established. Girls participated in a variety of activities, which included traditional lessons, except the classrooms had gorgeous sea views, as well

as a variety of co-curricular activities that included taking advantage of the beautiful school gym and trying a new activity in the form of canoeing!

Girls volunteered their time at Clayton Primary, a local outreach initiative between Durban Girls' College and the primary school, where they received praise from programme co-ordinator Anthea Rodseth: "I have taught for a number of years and worked with a cross-section of different people. I was so impressed with the four young ladies who came to help today. They had to perform various tasks, namely observing, teaching and then boring administrative duties.

They were well mannered, enthusiastic and patient. St Mary's can be very proud of these pupils. They really made a difference to so many little lives."

The end of the exchange programme marked the beginning of the Durban Girls' College and St Mary's derby day weekend. There was great excitement in seeing our exchange girls upon the mass arrival of all the St Mary's teams on Friday 15 May!

Vuyo Mbuli Walk

On Sunday 24 May, staff and girls participated in the Vuyo Mbuli Walk in memory of Siphosihle's (Form IV) father, Vuyo. Some staff members braved the 10km run, while others ambled along in the 5km walk! Whatever the distance, much fun was had by all who participated.

It was a wonderful morning out in memory of a St Mary's father, and in support of Siphosihle.

FEDA

Girls Like That

This play is currently being performed in Australia, America and all over England. "An urgent and explosive new play that explores of the pressures on young people today in the wake of advancing technology."

When a naked photograph of Scarlett goes viral, she becomes the centre of attention for all the wrong reasons. But while rumours run wild and everyone forms an opinion, Scarlett just stays silent ...

Specially commissioned by Birmingham Repertory Theatre, Theatre Royal Plymouth and West Yorkshire Playhouse, *Girls Like That* was developed through work with young people from the three theatres, and first performed by their youth theatre companies in 2013. It was revived at the Unicorn Theatre, London, in November 2014.

Girls Like That was named Best Play for Young Audiences at the Writers' Guild of Great Britain Awards 2015.

Prior to its Unicorn run, *Girls Like That* was performed in schools which, according to Synergy's artistic director, Esther Baker, led to some lively post-show discussions: "Everyone's got something to say. They all recognise it. You ask who's on social media and everyone is. They're all on Snapchat, WhatsApp. It's part

of the culture, which is fantastic, but it can be exploited."

What fascinated playwright Evan Placey about the Todd case was the media response, which seemed to place the blame entirely on the male blackmailer. It's more complex than that, he says: "We're all to blame. It's not just about who sent the photos but how everyone else reacted. It's about joint responsibility."

He wrote *Girls Like That* for a chorus, with events recounted by Scarlett's peers. "It's not any [particular] one of those girls that's to blame. It's all of them and none of them."

This year St Mary's entered *Girls Like That* into the FEDA play festival. We workshopped the play to give it a more local feel and had extensive discussions on how it should end. We finally decided to end it as it began, with the bullying continuing in a vicious cycle.

The cast of 13 was made up of Forms IV and V girls and the rehearsal process took place over two months with physical theatre workshops, vocal and emotional work, and improvisation. The scenes of humiliation against Scarlett were particularly difficult and we unpacked these sessions after rehearsal, trying to understand why girls find it so enjoyable to

gossip and destroy one another. We had a wonderful response from the girls at school, and a heated discussion with the actors after the performance for the Senior girls.

The e⁴ Amazing Race

On Wednesday 20 May, the Form 1s took part in an Amazing e⁴ Race. The girls were split into small groups and spent the day working together to solve clues and complete tasks, using a wide variety of newly acquired skills.

These included having to work out bearing, direction, measuring angles and calculating area. Much fun was had by all and the Form 1 girls have certainly proven themselves to be “amazing”, working as a team and managing

to complete all the tasks set for them. Well done, Form 1s!

Clothes2Good

The St Mary's Senior School family has been busy tidying out their wardrobes and donating their pre-loved clothes to Clothes2Good. Bags filled with clothes are piling up fast and we have to empty the cage frequently. Extra bags and slips are available from myself in B2. Please return any unused bags to B2. The collection will run until Friday 5 June and prizes (based on greatest mass of clothes donated) will be awarded to the winning girl and mentor group. We are also conducting this collection as an inter-house competition and points awarded will go towards the inter-house cup. Which house will win?

Patronal Festival

Senior School choir

Senior School girls play their clarinets

This year's Patronal Festival was a particularly special event. The diversity of our school was showcased through many musical items from Grades 2 and 3 in the Singing Angels, the Senior Primary choir, the Senior School choir and orchestra, as well as the marimba bands, the traditional choir and solo items by some of the Subject Music girls.

St Mary's is a wonderful, safe place where the girls are allowed to celebrate their individuality, and where differences are highlighted and celebrated. This was poignantly evident throughout the service,

where items in Latin, English and Zulu proclaimed the Christian ethos of the school through the magical medium of music. A particularly reflective attitude was achieved through the prayers, which were in English, Afrikaans, Zulu, Xhosa, Pedi, Portuguese, French and German.

A special thank-you is extended to Dudley Trollope, Barry Strydom, Jarred Parenzee and the technical crew as well as the ground staff and cleaners. Without their hard work and support the festival would not be as successful.

The festival showcased a special item based on the school hymn, *Dear Lord and Father of Mankind*. The ending of each verse leaves us with words of profound meaning:

*In deeper reverence praise,
Rise up and follow thee,
The beauty of thy peace,
O still small voice of calm.*

Carol Shutte

Head of Music: Junior School

Reddam House Battle of the Bands

On Thursday 14 May, the two St Mary's bands, Nuns and Moses and Artistic Licence, participated in the Reddam House Battle of the Bands. It was a fun and exciting evening filled with music of all genres, from heavy metal to gospel. Artistic Licence performed a heartfelt original song written by Mutsa called *It's Alright*, while Nuns and Moses rocked the stage with their original piece, *Lemonade*, which the audience thoroughly enjoyed. Artistic Licence placed 2nd overall and won R2 000 worth of music equipment. The girls who came to support and the bands had a great time, and cannot wait to do it all again.

A busy time in the St Mary's Music department

Emma singing with the St Mary's jazz band

Robyn (trumpet) and Lucy (clarinet)

Susan (alto sax), Georgina (alto sax) and Emma (flute)

Some members of the Music department

At the start of term, the St Mary's jazz band participated in an intensive workshop with jazz trumpeter Marcus Wyatt, who taught the girls two of his compositions, *Annake Tassou* and *Angel Nemali*. The following weekend, on Friday 15 May, the St Mary's band opened the bill at the fourth Gauteng Big Band Festival in The Edge. Particular mention must be made of the band's soloists on this occasion: Robyn (trumpet) on Astor Piazzolla's *Libertango*, Liesel (tenor saxophone) on Dexter Gordon's *Cheesecake*, Emma (vocals), Julia (alto saxophone) and Natasha (piano) on Otis Redding's classic *Respect*, and Aphelele (piano) on Wyatt's *Annake Tassou*.

The Gauteng Big Band Festival took place over two nights this year, and nine bands performed. It is exciting to see young

musicians encouraged in this performance forum. St Mary's can take pride in providing the magnificent "The Edge" stage for this festival, as well as the expert sound engineering of Barry Strydom and Jarred Parenzee, which contributed to the success of the event.

Continuing their busy schedule, the band performed the following week at the Music and Mezedes evening, hosted annually by Saheti School. There, the St Mary's jazz band gave a confident performance of their new goema tune, *Annake Tassou*. A less formal but thoroughly enjoyable event, Music and Mezedes provided an evening of varied musical fare, ranging from the St Benedict's rock band to a Saheti bouzouki ensemble. Highlights of the evening included spirited performances by the St Andrew's and Saheti marimba

bands respectively, the St John's Jazz Octet and a crowd-pleasing performance by the St David jazz band.

St Mary's gave a beautiful rendition of several movements from Vivaldi's *The Four Seasons*, led admirably by Daniëlle and Indira. They were followed by Artistic Licence, who got the audience to their feet in enthusiastic response.

Aphelele must also be congratulated for making the finals of the Digikeys competition, hosted by St Andrew's School.

Ceri Moelwyn-Hughes
Music teacher

From the Sports department

Derby day - Sports department

At the beginning of the year Mr Thomas Hagspihl, head of Durban Girls' College, proposed a derby day with us as he felt, and I quote: "St Mary's, Waverley, and Durban Girls' College are very similar schools in many ways and the derby day is really an attempt to build a firm relationship between these two institutions through the medium of sport, cultural and academic activities - in fact, any events in which girls can represent their school. Ideally we would like to give every girl some opportunity to compete. Although the competition will be fierce in certain events, the focus of the day is not winning but participation. This is really important - collegiality and fun are paramount, with a good dose of friendly competitiveness thrown in. One year DGC hosts and the next it will be at St Mary's. Parents of the visiting school are encouraged to join in the festivities!"

The event came to fruition on 15 and 16 May. We travelled with the following sports teams:

- Five netball
- Three water polo
- Two squash
- Five tennis
- Six hockey

We had some excellent games. Although St Mary's definitely dominated the racquet sports, it was good to play different opposition. The 1st netball team had the honour of playing the last match of the day, and so played to a packed crowd. It was a superb match in which our confidence grew and our performance improved with each quarter.

The day culminated with all the girls participating in a dance session on their grass

field. This was followed by a braai. Having been impressed by our level of skill at all the events during the day, I am not sure I can say the same for the general standard of the girls' braaiing!

On Friday morning, one of the four buses left earlier than the others so that the 1st hockey and netball teams could stop in Hilton and play St Anne's. Both teams were successful. The netball team won 21-19, and the hockey team 3-1.

We look forward to hosting the next derby day, probably on 13 and 14 May 2016!

Hockey

St Mary's girls who have been selected to represent Southern Gauteng

The St Mary's hockey teams have started the league successfully. Over the past two weeks, in the Grays and Malik leagues we have competed against Parktown, Dainfern, Kingsmead and Fourways. With 28 matches being played, the St Mary's hockey teams have won a total of 26 and drawn the remaining two. What is most impressive is the goal tally: the teams have scored 142 goals, and have conceded only one goal.

During this time, we have also participated in friendly matches, one of which was on an exciting trip to Durban. The derby day, played against Durban Girls' College, proved to be a challenge for the girls. Excited to play tough and new opposition, the girls soldiered through the humidity and produced worthy results. The U14 B, U16 B and 2nd teams won their matches. The 1st team and U14 A team drew, and the U16 A team lost. The following weekend we hosted Transvalia where, again, the hockey teams produced great results. The 1st and U16 A teams won, the U14 A drew and the U15 A team lost.

Many of our talented hockey players have not only been busy with league matches, but have attended Southern Gauteng hockey trials over the past three weeks.

After showcasing their individual skills and teamwork, the following girls are congratulated on their selection to represent Southern Gauteng.

Equestrian

Margaret jumping the St Andrew's Cross at the Pony Riders 1.10m Mini

Gessica with Swazilizkhar Savannah at Junior Derby

On 16 and 17 May the equestrian team competed in the third qualifier at Eaton Farm, and once again achieved excellent results. The showing and dressage classes were held on the Saturday and were dominated by Caitlin and Lia. Lia won the Open Performance Riding and Elementary Dressage, and was 3rd and 5th in her two Working Riding classes, while Caitlin was placed in the top three in both her Working Riding classes, Performance Riding and Elementary Dressage. Katie was 2nd in her Performance Riding class, while Andrea achieved a 3rd place and Jessica a 5th in Novice Dressage.

Sunday saw the showjumpers and equitation riders compete, and Caitlin was once again in superb form as she won both 90cm Show Jumping classes and Working Hunter. Andrea showed her class by winning both 1.20m

Show Jumping classes, with India getting a good 2nd place, while Margaret came 5th in the 1.10m and Kiara was 3rd in the 70cm class. It was good to see captain Tessa back in the saddle and she had a good day with a 2nd place in Level 1 Equitation. St Mary's showed their strength in the Intermediate Equitation, where Andrea was 2nd, Margaret 4th and Kiara 5th.

Well done to all the riders! Our thanks are extended to Mrs Devine, Ms Fouche and Ms Mullan for coming to support the equestrian team.

During the holidays, a number of the girls competed at the Junior/Pony Rider Derby at Kyalami Park. Andrea achieved a 2nd place in the Junior 1.20m Welcome Stakes on Magical Emblem, and came 1st and 2nd in the Novice Dressage on Sir Edward. India achieved a 2nd

and two 3rd places in the Junior 1.10m on AEI Indigo and Gessica placed 4th and 7th in the Junior 90cm class on Swazilizkhar Savannah. Margaret, riding Assegai Summer Song, achieved a 4th place in the Pony Rider 1.10m class and was 7th in the Mini Derby.

Lia did brilliantly on her two ponies to win the 2015 SA Pony Rider Complete Horse Derby, the Showing Championship and Intermediate Equitation, while Caitlin won the Pony Rider Elementary and Elementary-Medium Dressage, was 2nd in the Dressage Derby and Complete Horse on Waterside Sergeant Pepper, and was 4th in the Pony Rider 1m Micro Derby on Waterside Lady

Janet Tucker

St Mary's Foundation Wine Auction

On behalf of the foundation, I thank the members of the St Mary's community and guests for their very generous contributions to the success of the recent St Mary's Foundation wine auction evening. Derek Ramsden, Cape Wine Master, steered the spirit of giving that was evident in the bid prices paid, as well as the donations made.

The success of the evening was owing to the generosity of the wine estates that had donated the wine for the evening. Thank you to

Paul Reynolds for his tremendous effort and assistance in securing the wines, and Georgina MacRobert for designing and creating the brochure. An amount of R180 000 was raised for the St Mary's Foundation bursary programme.

Gillian O'Shaughnessy

Foundation manager

Studium Apertum

Studium Apertum is a day for listening to dynamic speakers, debating exciting and stimulating issues, and about having difficult choices to make regarding which speakers to select from the 20 slots available. Come and listen to Susan Levine talking about the continued use of the dop system on Cape wine farms. Take in a debate between Supreme Court of Appeal Judge Nigel Willis and journalist Harald Pakendorf on The Glories and Dangers of the Freedom Charter, or Elizabeth van Heyningen's talk on the use of concentration camps during the Boer war.

Most importantly, SAVE THE DATE 11 July so that you can spend the day at The Edge, and experience the dynamic ethos of St Mary's School.

STUDIUM APERTUM

Elizabeth van Heyningen

Susan Levine
