Head girls-elect for 2016: Mutsa (deputy head girl), Shayna (head girl), Sasha (deputy head girl)

From the head's desk

Dear parents

Prizegiving is the final official function for the class of 2015, and it also marks the beginning of the new leaders' time in office. The transition from one year group to another always has an element of nostalgia.

The Form IVs have participated in the leadership programme for a year and it culminated in the announcement of our new leaders on Wednesday. I have been impressed with the mature approach of the girls to the nomination and selection of leaders. Each girl has to select the positions that she would like to be considered for, and write a motivation as to her suitability as far as abilities and interests. It has been rewarding to read these motivations, which have presented the girls as being mature and self-aware. When voting for the top positions, girls

have also had to write a motivation for their vote, and these motivations have shown the girls to have a good understanding of leadership and the type of leaders that they want at St Mary's.

Although our approach to student leadership may have flaws, I do believe that it has introduced a deeper understanding among the girls about leadership, and specifically servant leadership. It provides the girls with the opportunity to choose the area and degree of their involvement. The appointment of leaders is no longer a mere popularity race but rather a selection of who will lead with authenticity and serve the school and the girls best.

After five years' journey through Senior School, we bid farewell to our matrics

Dates to Diarise

Fri 16	13h00	DELFB2 Alliance
		Française examination
	15h00	Gauteng schools' squash league friendly
	19h00	Prizegiving - compulsory - girls to be at school by 18h15
Sat 17	07h00	St Stithians U16/U19 rowing regatta
		Latin Dance grading
		Basketball tournament at St Mary's DSG, Pretoria
	12h00	Alex High Schools' prizegiving
Mon 19	08h05	FII IEB benchmark test: English
	15h00	Basketball (away)
	16h00	SRC meeting
Tues 20	08h05	FII IEB benchmark test: Mathematics
	09h00	IEB NSC examinations begin
	14h45	Tennis - at home and away
	18h00	Confirmation
Wed 21	08h00	Inter-high athletics at Germiston
	10h00	Tennis tour to Eunice departs
Thurs 22	10h30	Inter-house athletics
	12h30	School closes for half-term
	13h00	Rowing camp departs
		U14 water polo tournament at Roedeane begins
		U13 and 1 st water polo tournament at St Stithians begins
Sat 24	18h00	Eunice tennis festival returns
Sun 25		Rowing camp ends
		U14 water polo tournament at Roedeane
		U13 and 1 st water polo tournament at St Stithians
		Half-Term
Mon 26		FII and FIV IEB thinking skills test
Tues 27	14h45	Junior inter-house basketball
	18h00	Saints' awards
Wed 28	07h30	technical rehearsal
	17h00	Leaders' assembly
		Saints' awards pre-awards party
Thurs 29	18h30	Saints' awards
	18h00	New parents' and pupils' evening
Fri 30		SAMS pink civvies day
		FIV study day
	15h00	Gauteng schools' friendly squash league
	15h00	Basketball (away)

of 2015. As a group, the girls have led the school with grace, dignity and enthusiasm, and have distinguished themselves with a wide range of successes. Our matric girls have only their final NSC examinations to complete before they embark on their next stage of their life journeys. There is no doubt that they will embrace all that life has to offer, and will employ the skills that they have learnt at St Mary's. May they go safely in the hands of God.

Congratulations to the new leaders for 2016.

Yours sincerely

Deanne King

Head of school

From the chaplain

Most of us are afraid at times. We are afraid of all sorts of things.

Whatever it is that causes you to fear the most, we need to be reminded of and take to heart the promise of God in Isaiah 43:1-3a,5a:

This is what the Lord says - he who created you, O Jacob, he who formed you, O Israel:

"Fear not, for I have redeemed you; I have called you by name; you are mine.

When you pass through the waters I will be with you; and when you pass through the rivers they will not overwhelm you.

When you walk through the fire, you will not be burned; the flames will not set you ablaze.

For I am the Lord, your God, the Holy One of Israel, your Saviour ...

Do not be afraid, for I am with you ..."

Revd Canon Gill Lee

PA to the head of the school: Sonia Willoughby

Chess

Inge (Form III) recently finished joint 1st at the South African Women's Open Chess Championship in Cape Town. This stunning performance has now earned her a qualification spot at the Senior Women's Closed Chess Championship to be held in December, where she will have an opportunity to qualify for the Senior Olympiad team.

Inge also finished joint 2nd at the African Women's Open Chess Championships 2015, in Woodmead, Johannesburg.

Inge

National Accounting Olympiad

Congratulations to the following girls who wrote the National Accounting Olympiad:

Hayley
Bongiwe
Nicola
Megan
Shanté
Roxanne
Boikano
Buhle
Maxine
Jessica
Rachel

Nicola, Shanté and Buhle participated in the second round. Well done to Shanté, who achieved the top result for St Mary's.

HoD Accounting

Afrikaans Olympiad results

The Senior First Additional Language Afrikaans Olympiad was written on 19 May. As we celebrate 90 years of Afrikaans as an official language this year, 38 girls from Forms III to V entered the Olympiad, offered by the Afrikaanse Taal en Kultuurvereniging (ATKV).

Simone (Form IV) achieved the top score of 86%, while Inge (Form III), Daniëlle (Form IV), Julia (Form IV), Liesel (Form V) and Roneque (Form V) all achieved outstanding distinctions.

All Senior girls studying Afrikaans at first additional language level, irrespective of their home language, may enter the annual Olympiad, consisting of four sections: comprehension, grammar, poetry and literature.

The ATKV is an independent organisation that promotes Afrikaans as a language within a multilingual society, and as part of our shared heritage. For more information, visit www.atkv.org.za.

Simone

Oxbridge Academic Program

Professor James Basker founded the Oxbridge Academic Programs for high school students with the aim of allowing students to be exposed to subjects that extend them beyond traditional curriculum in environments and institutions renowned for their association with academic endeavour, including Oxford and Cambridge Universities in England, the University of St Andrews in Scotland, Barcelona and Salamanca in Spain, New York and UCLA in America, and Paris and Montpellier in France. From 2016, Oxbridge will also run one of its programmes at the prestigious Harvard University. In addition to these four-week programmes, Oxbridge also offers a one-week seminar at Oxford University.

The various programmes cater to Grades 8

to 12 students, and have participants from around the world. The teaching faculty is drawn from some of the world's leading universities, including Oxford and Cambridge, Yale, Harvard, Columbia, NYU, the Sorbonne, Salamanca, Pompeu Fabra, St Andrews, Edinburgh, and UCLA. Last year the faculty consisted of more than 28 Rhodes, Gates, Marshall and Fulbright Scholars.

St Mary's is pleased to invite you to participate in a webinar with the Oxbridge founder, Professor James Basker, in the Wantage Auditorium from 19h00 on Thursday 5 November. Professor Basker will speak about the opportunities that the programmes offer and will answer any questions you may have. Students who have attended one of the programmes will be available to answer any

questions about their experiences, and I will answer questions regarding the programmes and how the school can help to assist students in their planning and coping on their return to school.

Please email nina.nathanson@stmary.co.za by Friday 30 October if you would like to attend the webinar.

Should you or your daughter have any further queries about the webinar please email me, and see the Oxbridge website, www.oxbridgeprograms.com, for more details about available Oxbridge programmes.

English teacher

Life Sciences camp

The new term marked the beginning of a three-day adventure in the Magaliesberg. The Form III Life Sciences girls arrived at Kwa Madala Game Reserve armed with sleeping bags, binoculars, and a passion to learn about and discover the savannah biome's riches. Against a backdrop of rainy weather, we trekked up hills, marvelled at vistas and explored the diverse landscape on game drives and horseback. There were a multitude of unforgettable highlights along the way - we stumbled across a giraffe skeleton, spotted a spitting cobra and admired the dense shrubland.

The unique opportunity of riding on elephants, however, proved to

be the most memorable experience for many of the girls. From our elevated seats, we viewed the savannah grasslands from a whole new perspective, while marvelling at the intellect and temperament of these majestic creatures. Our eagerness to soak up knowledge was dotted with fun. We brought our fashion show back to life complete with music, a few veteran models and a cement runway. This was both highly enjoyable and entertaining, and added to a collection of memories that will be forever etched in our minds.

Wilderness School 2015

The Form II pupils spent two weeks in the beautiful surrounds of the Magaliesberg, away from much of what they consider to be "normal", i.e. family, home comforts, television, cellphones, the Internet, iPads and hairdryers! They participated in a busy and challenging programme that taught new skills, and allowed relationships to grow. At the outset, the curriculum aims to teach the girls to become more adaptable, to become more appreciative of all aspects of their lives, to realise the curative benefits of nature, and to engage with people and nature in a caring and skilful manner. Added to this, the girls had a tremendous amount of fun!

A programme such as this is possible because of the commitment of teachers who immerse themselves in the programme, and mentor and encourage the girls to achieve their best. I am extremely grateful to Jenny Page, Candice Macaulay, Athambile Masola, Lilian Southey and Linda Bradfield for their time, care and a high degree of enthusiasm.

Hike summit

Afrikaans public speaking

This year, the Afrikaans department hosted its first Afrikaans public speaking evening, which proved to be a great success. Twelve very brave Form I, III and IV girls took on the challenge, and spoke eloquently on one of the various Afrikaans idioms set as topics.

The Form I girls were especially brave in speaking in front of all their seniors, and they delivered some delightful speeches. The bashful manner of the Form III speakers also impressed the adjudicators.

A popular topic among the Form IV girls was "As die skoen jou pas, trek hom aan" (if the shoe fits, wear it), and produced some entertaining images of Cinderella's glass shoe by Courtney and running spikes versus stilettos by Julia.

Inge (Form III) and Kara (Form I) participated in the category for Afrikaans home language. Inge's speech on "Die vere maak die voël" (fine feathers make fine birds) and Kara's speech on difficult teenagers not only impressed the judges, but also the other participants.

The adjudicators were Mrs Doreen Stapelberg of St Mary's School, Mrs Marieta Hattingh, previously involved with the ATKV, and Mrs Liza Els of St Teresa's School, who was the chief adjudicator and lauded the versatility and talent exhibited by the students.

At the end of the evening's proceedings, Mrs Els presented the participants with detailed individual reports that went a long way to

boosting their confidence and validating their courage.

The interest from the girls and their parents has motivated us to extend this event next year to include neighbouring schools, and we look forward to many years of successful and entertaining Afrikaans public speaking evenings.

From the Sports department

Water polo

Reddam House Girls' U19 Water Polo Tournament

Our 1st water polo team came home from the Reddam House Girls' U19 Water Polo Tournament with silver around their necks.

The St Mary's 1st team scored 50 goals and let in 18 goals over the course of the tournament, winning all its pool games and making it through to the quarter-finals versus Reddam's 2nd team. Winning the quarter-finals 8-3, it was through to the semi-finals versus Durban Girls' College. The semi-final seemed to be a close game, despite St Mary's having

more game control; we came away with a win of 5-2.

The final was played against the host school, Reddam House. The final, unfortunately, did not go St Mary's way. The 1st quarter score was 1-1, 2nd quarter 2-2, 3rd quarter 3-2 and last quarter 5-2. The girls could not get another goal and fell short on time.

There were 16 schools from around South Africa at the tournament, and our girls came in 2nd. The season is not over yet and the players still have quite a few tournaments

to play: the U14 Roedean Water Polo Tournament, U13 St Stithians Water Polo Tournament and the 1st Team St Stithians Invitational Tournament.

Congratulations to Amber and Sasha for being selected for the SWPSA Girls U18 team, which will participate in the international series to take place in Cape Town in December.

Kelsey White

Water polo coach

Tennis

The St Mary's A tennis team returned from Hilton, victorious in both the doubles and mixed doubles events held at the annual Hilton College/St Anne's Invitational Doubles Tournament. The St Mary's team did not lose one match throughout the doubles event. Special mention must be made of the exceptional play by all the players.

St Mary's beat St Mary's DSG Pretoria, Kingswood College and St Anne's in the round robin phase. The doubles team of Imaan and Maja did not lose a game leading up to the final. St Mary's played St Mary's Kloof in the finals of the doubles event, and beat them convincingly by three matches to love. The final doubles placings were as follows:

St Mary's Waverley
St Mary's Kloof
St Anne's
Roedean School (SA)
Somerset College
St Mary's DSG Pretoria
Kingswood College
Penryn

St Mary's teamed up with St Stithians to clinch the mixed doubles title for the fourth consecutive year. St Mary's and St Stithians beat St Alban's/St Mary's Pretoria, Kingswood College and Hilton College/St Anne's to reach the finals. In the finals, St Mary's and St Stithians beat St John's/Roedean by six matches to love. Well done to all the players on the high standard of tennis played on this tour. I thank Farirai, who filled in as a replacement at the very last minute. Thank you to Stan,

for driving us safely to and from our destination.

Congratulations also to Cara and Maja for doing extremely well in the prestigious South African Master's Event in Stellenbosch. Cara beat the no. 1 seed in the round robin phase of the tournament and ended in 3rd position, beating Delien of the Free State 6-3, 6-1. Maja beat Bianca of Gauteng North to clinch 9th position.

Athletics

Owing to camps, the athletics season has got off to slow start. Having said that, there have been some good individual performances and some pleasing results. All our meetings are out in Germiston, which is a fantastic venue as the facilities are excellent and the girls run on tartan every week. However, getting the athletes to the start of the event is challenging and the Form IVs, who run the 1 500m or are involved in the jumping events, have little or no warm-up time.

Our congratulations are extended to Jade on her leap of 1.62m in the high jump at the first meeting, having done no athletics since last year, and Kristin ran superbly in our second meeting in her sprint events. The Form Is have some wonderful talent and are gaining experience in the 1 500m, 400m and 200m events, as these are distances that they do not compete in in the junior school.

Julia (vice-captain) and Victoria (captain)

The results from the first three meets of the season (and we have yet to come close to putting a full-strength team together) are as follows:

17 September

- 1st Pretoria High School for Girls 483
- 2nd Assumption Convent 456
- 3rd St Mary's 412
- 4th Bresica House 349
- 5th Holy Rosary 333
- 6th St Andrew's 286
- 7th Kingsmead College 281
- 8th Jeppe 206

1 October

- 1st St Mary's 419
- 2nd Pretoria High School for Girls 411
- 3rd Assumption Convent 396
- 4th St Andrew's 374
- 5th Brescia House 346
- 6th Kingsmead College 317
- 7th Holy Rosary 271
- 8th St Stithians/St Teresa's 206

In sport one always makes plans for injury and absenteeism, but never in my long teaching career have I attended an event without 15 team members. This was the situation last Thursday, 8 October. I want to compliment all the girls who ran and gave of their best under difficult circumstances. I was proud of the fact that we were still able to come 4th out of five schools. Special mention must be made of Caroline and Ruth, who ran superb times in the U14 age group. I hope that we are now over all illnesses and injuries, and are gearing up for inter-high on Wednesday 21 October.

8 October

- 1st Brescia House 279
- 2nd Assumption Convent 255
- 3rd St Andrew's 204
- 4th St Mary's 202
- 5th Holy Rosary 155

We have one more event until inter-high. I know the heat has been stifling but keep training hard, athletes.

Quix

Head of sport

Basketball

Our basketball season has begun after a few weeks of training and preparation. We have spent the time consolidating skills with the junior teams, and working on tactical play with the older girls.

We have so many U14 players that we have split the B team into two equal-strength B1 and B2 teams. They will play alternate matches so that all girls get a chance to play against other schools.

Rowing

On Thursday 1 October, the St Mary's rowing club hosted a cocktail evening/blessing of the boats ceremony. The girls packed and brought all of St Mary's newest boats to the school, where we set them out to be blessed. The St Mary's rowing parents and esteemed guests were seated outside SMOGs cottage. Revd Lee conducted the ceremony. All the boats' names were revealed, and they were blessed. After the ceremony, the parents and guests enjoyed a cocktail party.

This past weekend, the majority of the rowing club competed at the Wemmer Sprints Regatta. The juniors were supposed to race on Saturday but, unfortunately, the regatta was cancelled owing to wind. It is quite common for this to happen and so our coaches entered their crews into the senior regatta. On Sunday morning, everyone arrived early at Wemmer Pan to prepare for their day of racing. They all rowed hard and maintained a positive attitude throughout

the day. By the end of the day, everyone was tired but content with their racing.

At the same time, the opens were camping at Roodeplaats. They arrived at 06h30 on Saturday morning to begin their weekend of training. Once they had unpacked the trailer and rigged all the boats, they got on the water with the U16s. Their first session consisted of seven 2km pieces in quads and doubles. The U16s left after doing another session, and the opens used the free time to bond over homework. That night, after their other two sessions and dinner, some of the girls went straight to sleep while the rest played card games and chatted. On Sunday after an early session, the girls were quite happy to leave Roodeplaats and head home.

From the Foundation

A tremendous thank-you to all those in attendance at the St Mary's Foundation World Cup Rugby Fever fundraising dinner, held on Friday 2 October at the Country Club Johannesburg.

There were certainly many green-and-gold Springbok rugby supporters present. Comedian Jason Goliath entertained the audience and, together with the one-man band, provided a wonderful evening of fun and laughter. The St Mary's 2015 head girl, Bongiwe Bongwe, delivered an outstanding address about the importance of educating women. Master of ceremonies and auctioneer Graham Codrington guided the audience through a fun, American-style auction and live auction.

Congratulations to Colin and Lara Davidson, winners of the St Mary's Foundation Rugby World Cup prize. Colin and Lara will be jetting off to London at the end of October to watch the 3rd and 4th play-off match, as well as the final at Twickenham.

Gillian O'Shaughnessy
Foundation manager

St Mary's Old Girl launches novel

Bridget Pitt

Bridget Pitt matriculated from St Mary's in 1975. She was in Johannesburg recently to attend her 40th reunion and also to launch her latest novel, *Notes from the Lost Property Department*. Bridget's previous novels and her short fiction were shortlisted for both the Commonwealth and Wole Soyinka Prizes. Bridget dedicated her novel to the memory of her "beloved parents, Aubrey and Dodo". Dodo was headmistress of St Mary's from 1973 to 1988 and, under her leadership, the first black pupil was admitted in contravention of apartheid laws. Bridget fought the same cause, and spent time in jail as a political prisoner. The book is now on sale at various outlets.

**UPSTANDER**
