Heads of houses elect for 2016

From the head's desk

Dear parents

As a school we acknowledge our responsibility to educate our girls in a holistic sense. The girls who leave St Mary's should be prepared for further studies and should be able to work effectively in a field of their choosing. They should also be prepared to take their places in society, and to make a contribution to our country and the world. Our aim is for girls to leave St Mary's as confident, hard-working and resilient individuals who deeply respect and value common humanity.

These aims are threatened when the girls' interactions with each other are tainted by nastiness, judgement and intolerance. Such behaviour is unacceptable and works against everything that we value

and teach the girls at St Mary's. An understanding of our country's complex history leads us to expect a pupil body to be supportive, non-racial and one that stands for anti-racism and anti-sexism.

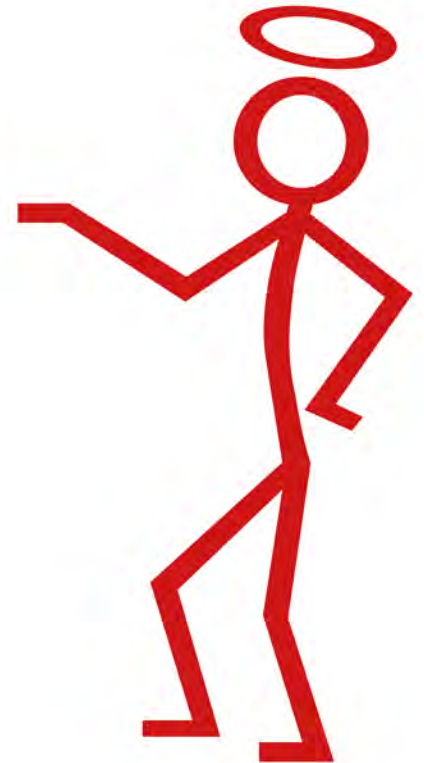

St Mary's is committed to developing aware, informed and empathetic citizens.

Advocate Wim Trengove's son Markus displays such awareness in this posting:

This is why I have to be successful:
I benefited from the injustice of apartheid. Although I did not choose it, my race, gender and language have allowed me to inherit certain privileges. The right response is no longer to bury my head in shame.

Dates to Diarise

October		
Fri 30	15h00	FIV study day Gauteng friendly squash league
	15h00	Basketball (away)
Sat 31	07h30	KES U16/U19 rowing regatta
	08h00	Junior inter-high tennis U14 basketball tournament at St Dunstan's
November		
Mon 2		FIV examinations begin
Tues 3	07h15	Muse Morning - Wantage auditorium
Wed 4	17h00	Opening of Woodwinds
Thurs 5		FI to FIII examinations begin
Sat 7		Gauteng rowing championships
Sun 8		Gauteng rowing championships
Mon 9	18h00	PTA meeting
Fri 13	12h30	St Mary's Foundation annual donor gratitude lunch

The right response is not to try and guard these privileges.

The right reaction is to admit that there is an enormous injustice, but that my privilege has put me in a good position to remedy it. That is my privilege. That is my duty.

Markus Trengove - Most Importantly, Africa

Needs Leadership

As the girls begin their final examinations, the rhythm of the school changes. I hope that the girls are prepared, calm and ready to enjoy the change of pace.

We shall keep them in our prayers.

Yours sincerely

Deanne King

Head of school

From the chaplain

We have had a busy time in chapel for both the Senior and Junior Schools. We said goodbye to the 2015 matrics at their Valedictory Eucharist and on Tuesday 20 October Bishop Steve baptised two girls and confirmed 22. In addition, four adults were admitted to the Anglican Church.

At the Senior Primary Eucharist, one girl was baptised and admitted to Communion with two others. The girls will certainly remember that service as the little brother of one of the Little Saints pupils was baptised (once we had caught him and held him over the font ... we did make friends over cake at tea afterwards!).

It is exciting that we can mark the beginning of our spiritual journeys in this way or confirm them as we continue on that journey. For the matrics it is only the end of their school journey; their spiritual one continues.

We are all at different points on our spiritual journeys but, wherever we are, God is with us and reassures us of His love for us. Paul prayed for the Ephesians (Ephesians 3:16-18)

"I pray that out of his glorious riches he may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ ..."

May this be our prayer.

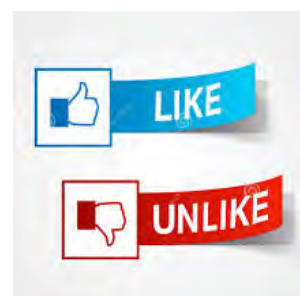

Revd Canon Gill Lee
Chaplain

MUSE MORNING:

All parents are welcome to attend a discussion on this pertinent topic: "iPads: like or unlike"

Date: Tuesday 3 November
Time: 07h15 for 07h30 to 08h30. Coffee will be served at the tennis pavilion.
Venue: Wantage auditorium
Topic: "iPads: like or unlike"
Speakers: Judith Ancer, clinical psychologist and Dr Jenny Laithwaite, ophthalmologist
RSVP: Sharon.san@stmary.co.za

Meet the departments

Drivers: Stanley Leoto, Simon Khanyile and Andy Modise

Operations department: Theuns Mahloko (security), Gavin Roodt (estate manager), Roger Young (operations manager), Brinay Oertel-Snyman (services manager) and Zanele Mthembu (functions assistant)

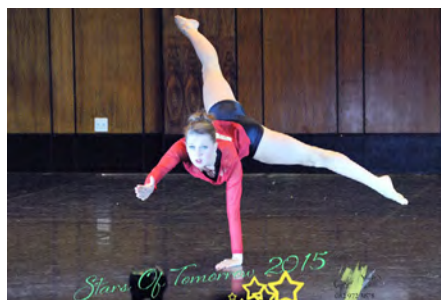

Open Door department: Back row: Heidi Burkhalter (educational psychologist), Leigh Sullivan (nurse), Lynn Moony (career counsellor)
Front row: Tessa Ruysenaar (nurse), Lara Rammutla (educational psychologist) and Carmen Whitfield (intern educational psychologist)

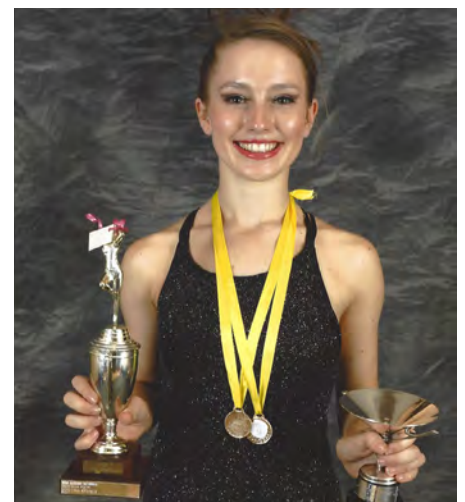

Dancing

Taryn, Form IV, received a number of awards at the Concour De Moderne dance competition held at The National School of Arts in Johannesburg from 5 to 9 October: Most Artistic Modern Solo, Most Pleasing Personality in Dance and Best Jazz Solo Performance over 15 Years.

Taryn also competed at The Stars of Tomorrow Dance competition on 25 September and won the over 16 Modern Championship Solo section and placed 2nd in the over 16 Jazz Championship Solo section.

Taryn

International School Library month happenings in the resource centre

Book People

Book People, organised by Siphosihle enabled pupils to borrow a "people book". Thidziambi and Fiona join in the fun of listening to "people book" stories

Bronwyn listens to the tale of a book borrowed by Cwenga

Gail tells Leilah and Phateka a story at People Books

Talking Teenage display

Melody, Khanyisile, Tinyiko and Keitumetse are fascinated by the Talking Teenage display

The Talking Teenage display on divorce, sex, death, drugs and related issues also attracted the attention of pupils from a visiting school

Teen book quiz

Aphelele and Tasmin run a laughter-filled teen book quiz

The winner of the teen book quiz was Victoria, seen here with organisers, Tasmin and Aphelele

Staff book club and Cool@School competition winner

Tea, cakes and books were greatly enjoyed by Tessa Ruysenaar, Sue Heydenrych and Gail Andrew at the staff book club

Bongiwe is the Cool@School competition winner. She is flanked by the heads of resources for 2016, Siphosihle and Aphelele

Google cardboard

Aobakwe is wowed by Google cardboard

Gail Murray finds Google cardboard amazing while, Linda Bradfield makes sure Gail doesn't topple over

Jordyn avidly follows a video with Google cardboard

LeadSA

At assembly, Heath was awarded a certificate for being nominated as September's Lead SA hero

Oliver, Heath and Liam with Lead SA co-ordinator, Dianne McAlpine

Heath, Form II – along with her two brothers – was named as Lead SA's hero for the month of September for the siblings' Soles for Souls shoe collection initiative. Heath, Liam and Oliver collected over 2 000 pairs of shoes, which they personally delivered to children at underprivileged schools, including Atteridgeville Primary School. This initiative was started five years ago by their older brother, Joshua.

This is a superb achievement and we are so proud of you, Heath!

Best Speaker Competition 2015

Actor Rob Brown once said: "If you can speak, you can influence. If you can influence, you can change lives." The 30 speakers who entered the Junior and Senior Best Speaker Competition embodied these words with the quality content of their speeches.

The junior public speakers selected a quotation from one of Shakespeare's works as a topic. The task of selecting a winner was difficult for English HoD and adjudicator Felicia Tobias, who was impressed by the high calibre of the junior speakers. After much deliberation Jaeger, Form I was announced as the winner of the Junior Best Speaker category, and Thidziambi, Form II as runner-up.

The senior public speakers, whose topics were influenced by a line or quotation from an African writer, did not disappoint. Their speeches were multi-layered and offered the audience an insight into a new world. Kristin's powerful delivery on the topic "Burn the school and you have no future" by Mbongeni Ngema received the evening's top honours.

Each speaker is commended on her participation in the Best Speaker Competition and is encouraged to continue to hone the invaluable skills learned in this discipline.

Janet Milasinovich

Teacher-in-charge of public speaking

Jaeger and Kristin

From the PTA

The annual PTA golf day was held on 9 October at the Parkview Golf Course. Old Mutual was again the key sponsor and we thank them for their continued sponsorship of this well-supported event. The day began with a shotgun start and golfers were eager to get going. The evening's festivities were enhanced by our amazing MC Ed Jordan, extremely funny comedian Martin Jonas, and an awesome array of prizes.

The PTA thanks all parents involved in the golf day, in particular the golf day sub-committee: Gloria Mamba, Nthime Khoele, Bruce Patience, Monique Wilkinson, Mark Pardini, Gregg Davies and Paul Breedvelt who took care of formalities ahead of the day. Thanks are also extended to Zelda Coutts and Justine Piccolo for making the prizes look amazing.

We also had great support from school moms who managed registration in the morning, welcomed our golfers, set them off at their relevant tee-off holes and packed and handed out goodie bags. Thank you too to Julie Herold for arranging fabulous auction items, tagging along on the drinks cart and for her support on the day. Our drinks cart drivers

Chris Mercer and Wayne van Vuuren were hard at work again this year ensuring that golfers were well hydrated. The golf day would not have been the success it was if it were not for our generous and ongoing sponsors who once again provided items for the goodie bags, prizes, raffles and the auction - thank you!

If you have been wondering what the PTA is planning to do with money raised from the MySchool Card and Club 100, I am pleased to inform you that, following much research and discussion, the PTA will be buying the school a new 40-seater bus. The bus will be used to transport girls to co-curricular activities and on outings, will ease the pressure on the two aging school buses and will help lighten the expense of external bus hire.

We are confident that the bus will benefit all the girls in the school. Support this initiative by continuing to swipe your MySchool Card and by joining Club 100. We are hoping to present the bus to the school by the end of next year.

If you don't have a MySchool Card please contact Lisa Grobbelaar at lisa.grobbelaar@gmail.com. Try to get grannies, aunts and uncles a card too, if they don't already have one.

Form I e4 outing to Alexandra township

St Mary's continues to develop its good relationship with the community of Alexandra, not only through community outreach and education projects with the local schools, but also by visiting the township itself.

The annual Form I outing to Alexandra township took place on Tuesday 20 October. The outing was organised in two parts. Girls spent half the day touring the township, exploring aspects of the history and daily life of a typical Alex resident. Housing, infrastructure, transportation and urban-renewal projects across the township were explored.

The second part of the outing involved an investigation into the economy of the township, during which the girls conducted surveys

with local business owners. Various business owners were interviewed: taxi drivers, restaurant managers and informal fruit sellers along the pavements were some of these. The survey revealed the enormous economic disparities which exist within our country, as well as the numerous challenges that small business owners face on a daily basis.

During the outing, Kelsey, Kate, Ronewa and Gabriella were selected to be involved in a live discussion on the community radio station AlexFM. The girls spoke confidently about their visit to Alexandra and about the warm welcome they received from community members.

Move-It, Moving Matters Team™

On Monday 26 October, members of the Move-It, Moving Matters™ Team, St Mary's Form III and IV girls and the H A Jack community came together to celebrate a showcase of motor skills acquired and demonstrated by Grade 4 H A Jack learners.

Since January 2015, Kim Morris, a Move-It, Moving Matters™ programme co-ordinator and dedicated St Mary's School hockey mum, has been facilitating the Grade 4 learners progressively in the first stage of Move-It, Moving Matters™ Blue Kit.

Born out of the need for an intermediate-phase physical education intervention, Move-It, Moving Matters™ is a phase-specific programme which systematically shapes neuro-muscular development and the physiological capacity of growing children. The programme starts with the Blue Kit in Grade 4, progresses to the Red Kit in Grade 5, the Yellow Kit in Grade 6 and finally the Green Kit in Grade 7.

The effect of regular participation in activity challenges is such that bone mass and cardio-respiratory efficiency are also improved and children "catch up" physically during this important developmental period. However, it is the unique read-do-write methodological approach of the programme which ensures holistic learning and the simultaneous development of multiple literacies.

What was witnessed on Monday was the culmination of many skills acquired in a Mini-Olympics event which required the participation of all learners in the grade. It was in this event that the St Mary's girls played a particularly important part. Under Kim's guidance the event was managed and delivered by the girls. In addition, these girls have been mentoring Grade 7 H A Jack learners

using the Move-It Programme.

St Mary's plays a key role in the support and enrichment given to H A Jack learners. It is this kind of school partnership that not only builds communities but strengthens bonds between children and nurtures hope for the future for all. The Move-It Programme is one of the community service programmes offered at St Mary's.

GASP™ is the next step of Move-It, Moving Matters™ in that motorically-talented children are set upon Pathways to Success via collaborative public and private sector networks. In order to celebrate and advance these children they are placed into district-based competitions and festivals such as the event which took place this week.

This event was made possible with the help and support of St Mary's School, Waverley and generous funding from Community Assisting Schools. Not only did the children feel proud to have a platform on which to showcase their Move-It skills but the community at large was given insight into how Move-It, Moving Matters™ and GASP™ are empowering and advancing youth in South Africa.

Matric Art exhibition

The annual Matric Art exhibition was held on 13 October. Monique Housse, a curator from the Everard Read gallery, addressed the girls on the wide variety of art-related careers that are available. She was most impressed by the standard of work on display. The evening was a celebration of all the hard work that the girls put in over a year. We wish them all the best for the remainder of the examination.

Sue Heydenrych

HoD Visual Arts

From the Sports department

Athletics

The St Mary's athletes certainly saved their best performance for when it counted. Sincere congratulations to Roger Haitengi, our stalwart coach, to Liezle van der Walt who has helped with both the high jump and long jump every week, and to captain Victoria and vice-captain Julia.

The team effort and camaraderie on the day were superb and we literally ran away with the trophy although Brescia House has closed the gap on us since last year. There are few girls who do athletics as their first-choice sport. The vast majority fit athletics in around swimming, tennis, squash, diving, rowing, water polo and basketball. This means that we never have a full team at training, and practising relays happens at weekly meetings if all four athletes are fit and present. We did the best we could with the preparation time we had and I can only compliment and admire the athletes.

We won only 16 events (compared with 25 last year) but we came 2nd in 12 and 3rd in seven events. This translates to 35 top-three finishes out of 46 events and we have learned that the results are not necessarily dependent on winning but on consistently being placed in the top three.

Sincere congratulations to the following girls who broke records: Jade had a massive leap of 1,65m in the junior high jump (this is higher than the senior high jump record); Alexandra broke the U15B

80m hurdles record in a time of 13.15 seconds and Carly broke the U16B 200m record in a time of 27.03 seconds.

I should also like to make special mention of Amy and Jaime, our 2014 captain and vice-captain, who joined us this season and were able to be an important part of the inter-high team as they did not have a matric examination on Wednesday 21 October.

Owing to camps, illness and injury, it has been a tough season but, in true St Mary's style, the girls were the best that they could be. Well done athletes. We are very proud of you and very happy to have our name on the trophy for the 8th consecutive year.

The final results were as follows:

- 1st St Mary's 495
- 2nd Brescia House 409
- 3rd Pretoria High School for Girls 398
- 4th Assumption Convent 354
- 5th Kingsmead 332
- 6th St Andrew's 286
- 7th Holy Rosary 275
- 8th St Stithians and St Teresa's combined team 197

Basketball

It's OFFICIAL -
St Mary's is now a basketball school

This was the notice that I put on the board a few weeks ago as the basketball girls have quietly been going about their business and making excellent progress. Most exciting was the performance of the three teams who played at the St Mary's DSG, Pretoria tournament. The 1st team won the U19 section, beating Prestige College for the first time. The U15A team had only three teams in their section but were unbeaten, making them the winners of the U15 section, and the U14A team lost 6-9 in their final.

The 1st team also had a superb match against Michael Mount, losing 28-30 in the dying moments. The U14 and U16 teams playing that day also lost but the opposition is possibly the best team in the league. This was a long day as it took the teams two-and-a-half hours to get back home as we were playing in Bryanston, on the other side of the bridge that collapsed.

These are our results since Wednesday 14 October:

Wed 14 Oct	1 st U16A U14A	Michael Mount	Lost 28-30 Lost 14-21 Lost 4-8
Sat 17 Oct	1 st U15 U14	Tournament at St Mary's DSG, Pretoria PHSG Redhill Clapham (semi-final) Prestige College (final) St Mary's DSG, Pretoria Redhill Redhill PHSG Prestige College Maitjibulo	Won 33-8 Won 20-5 Won 32-3 Won 35-22 Won 20-0 Won 14-2 Won 24-0 Won 10-4 Won 14-11 Lost 6-9
Mon 19 Oct	1 st U15 U14A	Redhill	Won 26-12 Lost 7-12 Won 18-5

We have had a few matches this past week and the U14A team play in a tough quadrangular at St Dunstan's tomorrow morning against St Dunstan's, Redhill and St Peter's.

Quix

The victorious teams

Hannah - 2016 vice-captain

Caitlyn - 2016 captain

Squash

These teams played Northcliff on 14 October

Teams playing Noordheuwel and Roedeane School (SA)

Results from 9 October:

St Mary's B beat Helpmekaar 9-6
 St Mary's E beat Sandringham 14-0
 St Mary's F lost to Roedeane 6-12
 St Mary's H lost to Roedeane 3-14
 St Mary's I lost to St Stithians 6-12
 St Mary's J beat St Stithians 12-4

Results from 14 October:

St Mary's A beat Northcliff 11-5
 St Mary's G lost to Northcliff 6-14
 St Mary's I lost to Northcliff 5-14

Results from 16 October:

St Mary's A beat Roedeane 13-3
 St Mary's B lost to Noordheuwel 0-14
 St Mary's C beat Roedeane 9-7
 St Mary's D beat Roedeane 11-6
 St Mary's E beat Roedeane 9-7
 St Mary's F beat St Andrew's 14-0
 St Mary's G beat Roedeane 11-7
 St Mary's H lost to St Teresa's 5-12
 St Mary's I lost to Roedeane 7-11

Captain of squash for 2016 - Francesca

All squash players should take note that whether you are a social or league player, you are now required to play using protective eyewear. Please purchase suitable eyewear - it is easy to replace shoes or racquets, but not your sight. We had an unfortunate incident last week in which a player was struck in the eye by the ball. Luckily no major damage was caused but it was frightening for the players to see how quickly an accident can happen.

Equestrian

The Nationals of the Equestrian Schools' league was held at the beginning of October at Misty Meadows, north of Pretoria. The show week commenced with the eventing on Monday and core classes on Thursday, Friday and Saturday. Keeping riders and horses hydrated and cool was the top priority during the week when temperatures of 37°C hit Gauteng.

Horses and riders from all over the country participated, with some classes numbering up to 50 competitors. Some of the jumping judges allowed the riders to compete without jackets but some disciplines such as showing and dressage did not.

Congratulations to the following riders on being selected for Gauteng provincial teams and participating in a range of classes over the week: Kate, Margaret, India, Kiara, Nicola B, Nicola D, Andrea, Lia and Caitlin.

The following riders received top six placings:

Andrea - 1st and 4th in 1,2m showjumping, 2nd Level 6 in equitation, 3rd in eventing

Kiara - Joint 4th in Level 6 equitation

Nicola - Joint 6th in Level 5 working riding

Lia - Joint 4th and 5th in junior elementary dressage, 4th Level 7 performance, 4th Level 7 working riding

Caitlin - 1st 90cm showjumping, 1st 90cm working hunter and 2nd Level 5 working riding

We thank Ms Fouche for her dedication to the team, Ms Quix and Ms Howell for coming to support us during the qualifiers and Janet Tucker for her superb background organisation of the team as *chef d'equipe*. Finally, thank you to Tessa for being a great and humorous captain over the past year. We wish our new captain Andrea and vice-captain Kate all the best for 2016. Go St Mary's!

Caitlin

Andrea on Magical Emblem

KZN rowing tour

During the half-term break, the rowing club took a trip to Albert Falls in KwaZulu-Natal.

We arrived on Thursday at about 19h30 after a nine-hour bus trip. Friday morning saw the club unloading the trailers and rigging all the boats. Once we had completed our session, we were given breakfast.

After our study session and more good food, it was time for our afternoon session. The sky was stormy and as we were getting on the water, lightning struck. We did a land session instead, which consisted of body weights and, for the opens, a run.

On Saturday, we participated in the Hilton regatta. We had a good day

of racing, winning a couple of medals. The last race of the day was a fun race in which anyone could row any boat. Our coaches decided to race a quad against the St Andrew's coaches. We are pleased to say that St Mary's won the encounter. We left the dam early on Sunday morning having made great memories and having gained valuable experience.

The rowing club will complete at Gauteng championships in two weeks. All the best to the rowers participating in this provincial championship.
