The girls had a wonderful time at the National Arts Festival in Grahamstown

From the Senior Primary department

Dear parents

I should like to thank Mrs Richmond and Miss Thindisa for accompanying the Grade 7 girls to Grahamstown. Judging from the photographs I saw, a wonderful time was had by all.

Thank you to all the parents who were able to join the Senior Primary girls for the reading morning. It would be wonderful if we could start every day like this.

The Grade 7 girls have started their play rehearsals so this is going to be a very busy last few weeks of term for them.

The Senior Primary parent afternoons take place on the 25 and 26 July. The booking lists will be put up at 13h30 on Tuesday 19 July. The Monday afternoon will end at 18h00 and the Tuesday afternoon will end at 15h30. The reports will be sent home on Friday 5 August. I am in the process of working with the teachers to sort out the stationery packs for 2017. You will be able to order these packs through the school should you choose to do so. Further details will be available closer to the time. We will be using the same supplier as last year – Valuegro.

We are all looking forward to the hockey festivals which will be taking place this weekend at different venues.

Have a wonderful weekend.

From the chaplain

Jesus speaking: "Love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbour as yourself."

"But Lord...

In a country where crime is a constant threat and one cannot be overcautious \ldots

In a world where many borders are so impermeable to the immigrant or refugee \ldots

When memories of hurts suffered at the hands of the other come welling to the surface ...

And we cry out for our own vision of justice or retribution (for surely these will bring closure?) ...

... who is our neighbour?"

We live in a time when that question means, "How do I ensure 'neighbour' cannot refer to those I should not trust?"

Storm

Big grey clouds running across the sky. Plop! Thick raindrops splattering on the floor. Swoosh, a gust of wind snapping the twigs. Rumble, the ground starting to shake. A roar of thunder blasting an evergreen tree, letting it collapse on the ground. The tiles cracking underneath, lightning striking before my eyes as I sprint to shelter. CRASH, the window breaks, pieces of glass shattering everywhere, chaos filling the room as the storm rumbles on.

Muse morning

Topic: Stress Management and Mindfulness talk Presented by Nicola Aylward - BSc (Hons) Physiotherapy

Date: Tuesday 19 July, 07h15 to 08h30 Venue: Wantage Auditorium Coffee is served from 07h15 for a prompt start at 07h30

Jesus' answer does not allow us to hide behind a cozy definition of "us" and "them". He tells of a man attacked by robbers and left lying injured by the roadside. Even two of the the most honourable of those whom the man trusts pass him by - because like us, they are afraid of the robbers. Help comes from one who, although considered to be an outright enemy, not only risks his life to stop and attend to the injured man, but also spares no expense in sourcing medical assistance.

Jesus speaking again: "Which of these three, do you think, was a neighbour to the man who fell into the hands of the robbers?" (Luke 10:25-37).

My neighbours are even those who might see me as "other" - who have little reason to trust me or show mercy to me.

Burning the fire

Spark spark the fire starts. The fire begins to eat the forest, as the branches break with a snap. Rustle rustle, the fire begins to blaze bigger. Pop! The fire chomps the fallen logs. The bellow of firemen shouting, splash as water hits the fire. Crackle crackle, the last breath of the fire dying.

Nicola Aylward, a physiotherapist and a mother, will present an uplifting and empowering talk about stress in our lives — especially living the lifestyles that we do in Johannesburg. She will talk about the effects of stress and how it impacts our bodies and the way in which we function, and the small and easy steps we can take on a daily basis to help ourselves and our children to cope better. It is an introduction to mindfulness, to living in the present moment, and how to bring joy and gratitude into our lives every day. She gives wonderful and practical tools for both adults and children, which can be used at home and in the classroom, to help reduce anxiety and unnecessary stress.

We hope you will be able to join us. This talk is for the dads, too!

From the Music department

The Music department has had a busy second term so far. The girls have participated in numerous concerts, showcasing their talents individually and within our musical teams.

The instrumental concert

This concert took place on Wednesday 18 May and was held on The Edge stage. It included solo and duet performances and provided a platform for girls to perform polished pieces of a Grade 3 musical level and above. This concert included girls from Junior Primary to matric. The junior girls can be proud of their performances and I look forward to seeing them perform more.

The Reggio conference

This conference is always a big event for the department as all the musical ensembles perform for the delegates, both in the opening ceremony and at lunchtime concerts. Ensembles included the Senior Primary choir, Junior orchestra, Grade 4 marimba band, the Junior marimba showband as well as the Senior School marimba bands.

The Magic of Music

The Magic of Music took place on Tuesday evening 28 June at the Linder auditorium and was organised by Grayston Preparatory School. A wide range of skills were presented here, from Junior Primary percussion bands to large brass ensembles. Other schools that participated in this event included Grayston Preparatory, Carlswald House, Redhill and Dainfern. St Mary's showcased a programme of quality and gave a polished performance, well done girls! Please take a look at the dates to diarise as we still have some fabulous performances coming up. These include the Junior School Music evening, Saints Musical Magic, which showcases all the St Mary's Junior School musical ensembles - don't miss this one!

Hockey

DSG HOCKEY FESTIVAL 24 - 26 JUNE

Just before the July half-term break, the Grade 6s and 7s went to the annual St Mary's DSG hockey festival in Pretoria. We stayed at the Farm Inn and played all our hockey games at St Mary's DSG.

It was great to play so much hockey and to really improve on our skills. There was a great team spirit amongst all the St Mary's hockey girls and everyone gave of their best. We met some fabulous new people, both on and off the field. It would be nice to play some new schools next year.

A special thank you to the coaches for making the tour possible and for being so supportive. Thank you Mrs Samson, Ms Quix, Mrs Coetzee-Turner and Ms Roos.

Netball

Congratulations to the U13 A netball team who placed second in our pool this year. This team has been in the top two of the pool and has represented St Mary's in the D13 netball playoffs four years in a row.

On Thursday 23 June, the team took part in the annual playoffs hosted by Redhill School. They came across a very tough Dainfern College U13 A team in the 1st round and lost 3-14.

It is a huge achievement for the team to get this far and we are extremely proud of you.

Tennis

St Benedict's tennis festival

A few tennis players from Grades 1, 2 and 3 were invited to join the St Benedict's tennis players for a couple of hours of fun games and drills on Saturday 25 June. All the players had a lot of fun and enjoyed playing against, and with, the "Bennies" boys. It was a most enjoyable and successful morning spent on the tennis courts. Well done to all the St Mary's players!
