The matric results have been well documented and we are delighted with the achievements of the class of 2016.

Congratulations to the matric class of 2016 - to view the 2016 results, please click here: http://www.stmarysschool.co.za/content/page/nsc-results-2016

FROM THE HEAD'S DESK

Welcome back to another year at St Mary's, and a warm welcome to families new to our school.

We also welcome new teachers: Mev. Jacobs to the Afrikaans department, Ms Mabasa to the isiZulu department, Ms Mohapi to the Sesotho department, and Mrs Wilford to EMS and accounting. Ms Kgamphe, Mrs Masinga, Miss Murray and Miss Newsome will be working in the Sports department, and Ms Bucher and Mrs Johnstone have new positions in the English department and library respectively. St Mary's has a professional and dynamic teaching staff, and I am certain that our new teachers will enjoy the opportunities which our school offers.

The matric results have been well documented and we are delighted with the achievements of the class of 2016. There were many significant stories of girls within the group who had exceeded all expectations and overcome personal difficulties to achieve very good results. The statistic that the school believes to be significant is that 80% of the class achieved an aggregate of over 70%.

The social media campaign that we ran to celebrate our results featured all the individuals of the class, which I believe was important, as each girl left her mark on our school. Julia Huysamer, our top candidate, was interviewed by Times Live and I have the highest praise for her humility, her maturity and her recognition of privilege. We are extremely proud of Julia, who has chosen to follow her heart and study the arts at Wits University. In an upcoming newsletter we shall report on where our class of 2016 are furthering their studies this year.

Not all the girls were equally happy with their achievements, but I hope that St Mary's has taught them that it does not matter how often you fall; what matters most is that you stand up every time. This is one of the most important lessons that we try to teach in our approach to guiding the girls through adolescence and their studies.

DEANNE KING HEAD OF SCHOOL

FROM THE CHAPLAIN

In Mark 10:17-21, the man who knelt before Jesus yearned for eternal life, but yearned more for his own riches and wealth. Eternal life is being in love with and in a relationship with God – in the here and now and continuing into the hereafter – such that love spills out to others around us.

Just the phrase "eternal life" indicates a state so wonderful that words are too limited to express it adequately. The man who knelt before Jesus found he battled to embrace God's love fully because of something he was clinging to – in his case, wealth.

When girls realise they can do something they thought they could not, or we witness

inexpressible kindness in our community, that is the love of God overflowing. Even in times of great sadness, there too God's love overflows.

As many of you are aware, on 15 December 2016 Val Veitch, mother of two of our girls, tragically passed away. Val's funeral was held here at St Mary's on 21 December.

I was deeply moved by how our community, and Val's friends outside our school and her family, drew together around Chris, Jess and Paula in their time of grief and shock. We continue to uphold the family in our prayers.

My prayer for us all in 2017 is that we notice

and treasure those many moments in which God's love shines through, such that those moments form the "why" of what we do. May God bless us all in this new year.

NOTICES

Chapel kneelers

Chapel kneeler kits are available at the Senior School reception. They cost R120 each and include the tapestry fabric and a pattern of your choice (two patterns available). You would still be required to buy the tapestry wool at an approximate cost of R1 000. There are detailed instructions included, however if you need help or have any queries, please contact Jeanette Dingle (082 686 7878 or dinglevj@telkomsa.net).
