

2024 TEACHER AWARD

Previously, the St Mary's Old Girls' Association sponsored a PGCE bursary for an individual who wished to pursue a career in teaching. Over the last decade, the many recipients of this award have gone on to become meaningful contributors to South African education.

This year, the association has decided to do something new. It would like to reward the St Mary's teachers who have contributed to the school's 135-year tradition of passionate and purposeful education.

The association is therefore calling for motivations from current staff members who wish to develop professionally by attending a conference or registering for a course in a discipline or field of their choice in 2024. The award will cover the cost of the course or conference.

Applications should include the following:

1. A motivation as to why you should be selected for this opportunity.
2. Details of the conference or course which you wish to attend or complete, including dates and cost.

Applications must be emailed to Jessica.bucher@stmary.co.za by no later than Wednesday 24 May and will be considered by the St Mary's Old Girls' Association in consultation with St Mary's School.

The St Mary's Old Girls' Association reserves the right not to grant this award.

St Mary's School, in line with POPIA (Protection of Personal Information Act) will attempt to ensure the protection of personal information of all applicants for this role. All reasonable measures will be in place to protect personal information which may be used in the recruitment, selection, and reporting process. By submitting your application for this position, you are recognising and accepting this disclaimer.
