DEPOSITS

Deposit payments on admission

Upon acceptance of a pupil and prior to admission, the parent shall pay a deposit in an amount laid down by the Board from time to time. This is to secure a place in the school as against other potential applicants on the waiting list and for the purposes set out in what follows.

The amount so paid is not refundable unless written notice is received by the school at least one full term before the place is due to be taken up.

Increase of deposit payment on promotion through the school

The deposit paid will be increased as the pupil is promoted through the school in such amounts as may have been laid down by the Board from time to time.

The deposit will be increased in January of each year, such that the equivalent of one term's current fee is held. This "top up" of the deposit will be payable on the first day of the term in the relevant year. Deposit payments made in previous years will be taken into account in determining any increased amount to be paid.

Interest on deposit payments

Deposits will be held in accordance with the Consumer Protection Act, 2008 and all interest, or other income therefrom, will accrue to the school as income.

Refund of deposits

If you have chosen to have the amount refunded when your daughter leaves the school, it will be refunded, without interest, only when the school receives payment of its final account after the pupil has left the school and the parent will not be entitled to apply any set-off. If you have chosen to donate the amount to the school, the donation may not be revoked.

The school shall be entitled, in its sole discretion, to appropriate the deposit or any portion thereof towards payment of any amounts due to the school by the parent from whatever cause arising at whatsoever time.

Donation of deposits

A parent may donate the deposit, or a portion thereof, to the school's Foundation when the pupil matriculates or leaves the school. Voluntary donations in these circumstances will qualify for a section 18A tax certificate. A section 18A certificate will be issued at the end of the tax year.

Deposits may be paid directly into the school's bank account
