Please note:

- Fees are payable in terms of the election made by parents prior to the start of each academic year:
Annual fees - payable no later than the first day of the first term
Termly fees - payable no later than the first day of each and every term
Monthly fees - Processed on the first day of each month from January to October and payable by debit order
 Other charges incurred are due and payable after the rendering of an account.
- Interest on all overdue accounts will be charged monthly on any outstanding balance at the rate of 2% per month from the due date for payment
- One full term's notice, in writing, is required before withdrawing a pupil from the school or from boarding
- A deposit in an amount determined by the Board from time to time will be required to be paid prior to the admission of new pupils as a condition of admission. This deposit will be increased in January of each year, such that the equivalent of one term's current fee is held
- A non-refundable registration application fee as specified in the Application Form is payable when application is made to the school
- Please budget for additional costs and charges. The total costs per pupil vary from grade to grade, and are influenced by the extent to which pupils engage in additional activities, and their subject choices. Items such as textbooks, camps, tours and outings will be additional expenses billed at their actual cost to those pupils who participate
- The school may appropriate any payment made to any interest which may have accrued, to the oldest debt, proportionately as between siblings, or otherwise in its discretion
- The matric examination fee levied by the IEB is included in Form V tuition fees
