

Winners of the 2019 South African Schools' Rowing Championships girls' section

FROM THE HEAD'S DESK

The girls and teachers live through complex days at St Mary's School. There is a spectrum of experience and opinion within the school and then, added to this, influence from outside often further complicates our days. When we focus on the good about our school and what binds us together, we can navigate any challenge but it is not always easy to navigate through the noise of social media, rumour and conjecture. The class of 2019 and I had some time to assess a difficult situation last week and we spent time in conversation in an attempt to discover the truth about a matter. Through conversation we found understanding and agreement.

A few days later a colleague mentioned a sermon that she had heard at her church and the lesson was particularly valuable in our community of diversity.

The power of words:

- Do not complain or grumble
- Do not boast about anything at all
- Do not gossip or repeat bad information about anyone else
- Don't run someone down even a little bit
- Do not defend or excuse yourself no matter what
- Do always affirm other people

Our words have the power to taint and limit our experience; let us rather use language to open our hearts and minds.

DEANNE KING
HEAD OF SCHOOL

STAFF NEWS

Our congratulations are extended to Carolyn Huysamer who, as a part time student, has completed her doctorate in Comparative Education. Her field of study was in initiation in Gauteng schools.

Congratulations, Dr Huysamer!

FROM THE CHAPLAIN

The Second Station: Jesus takes up his cross

Jesus bends forward under the weight of the cross, which represents our sins. The red bird of the first Station has now become a living white bird representing our redemption and the crown of thorns bears a resemblance to the Star of David. The two figures at the bottom represent a suffering world and the coloured lines between these figures and Jesus indicate the turmoil of humanity.

Joseph Capelle

The juxtaposition of suffering and hope are stark in this depiction of the Second Station.

Christ accepts his cross, knowing that he must suffer for a world that suffers. Yet, at the centre of the painting is the image of hope and of the presence of the Holy Spirit: the dove, almost translucent yet very present.

What aspect of our world comes to mind when we observe this depiction of suffering and turmoil? It is onto our world that we are reminded to see the image of Christ and of hope crucified superimposed, as we lift our world to God in prayer, and consider the implications of Christ's words to us:

"If any want to become my followers, let them deny themselves and take up their cross and follow me. For those who want to save their life will lose it, and those who lose their life for my sake, and for the sake of the gospel, will save it. For what will it profit them to gain the whole world and forfeit their life? Indeed, what can they give in return for their life?"

Mark 8:34-37

MEET THE BOARD

Flavio Maraschin

Flavio Maraschin joined the Board in 2010 and he assists with all aspects of the new building projects undertaken by the school.

Flavio and his wife Liliana, have two daughters who both matriculated at St Mary's. Nicky, who matriculated in 2008, has her master's in environmental conservation, and Francesca, who matriculated in 2010, graduated in medicine and is currently doing her second year of internship at the Baragwanath Hospital in Soweto. Both completed their studies at Wits University.

Flavio is a St David's Marist old boy and he graduated as a quantity surveyor (BSc QS) from Wits University in 1975. He has been a senior partner in one of South Africa's larger and more prominent quantity surveying practices. He has been involved in many major building projects in South Africa and in Nigeria, including major shopping centres such as the Westville Pavilion, Greenstone Shopping Centre and, most recently, the Baia Mall in Maputo.

Flavio retired from his practice in 2017 and is now consulting on some major building projects.

Flavio is a keen golfer. He and Liliana love travelling and both keep fit doing cross-fit training and are regular Park Runners.

Tables of tempting titles

Picnic fare

Last week, the Form I pupils enjoyed their annual summer picnic in the park. The purpose of the event is to introduce the tempting array of teen fiction titles available in the Senior School library.

St Mary's harbours a treasure trove of young adult novels which would be the envy of many school libraries. Tables, shelves and display racks were layered with books, beautifully presented by resource heads, Nina and Nicola. The Form I girls arrived in sunhats, slops, sunglasses and creative picnic outfits, with the best-dressed student in each class receiving a generous book prize.

While the selection of books had avid readers salivating, the accompanying spread of picnic fare was enthusiastically sampled by everyone. This included fresh fruit kebabs, decadent brownies, spicy samosas and a kaleidoscope of colourful cupcakes. Urns of cold water and fruit juice helped combat the outdoor heat as the girls lounged on the soft grass and picnic blankets, reading the opening chapters of their novels.

Many thanks go to Mrs Johnstone (in the four pictures above) and Mrs Murewa for creating a welcoming reading environment packed with diverse genres. Author Mark Haddon expressed the magic of reading perfectly when he said, "Reading is a conversation. All books talk but a good book listens as well."

FROM THE GEOGRAPHY DEPARTMENT

Urban greening

SAB World of Beer

Victoria Yards

Form V Geography girls

On Monday 11 February, the Form V Geography girls and Mrs Devine ventured out of the classroom and into the busy streets of Johannesburg to learn about urban settlement in a more interactive way.

Our first stop was Victoria Yards, an old dry-cleaning factory that has been renewed into a busy hangout spot for the Joburg community. We were given an opportunity to explore the grounds, looking at the different ways the place has uplifted the surrounding community through well-maintained vegetable patches, hydroponic fish ponds, and stores for entrepreneurs to sell their wares.

Next, we visited the Carlton Centre, the tallest building in Africa. From the 50th floor, we had a spectacular view of the entire city. It was up here where what we learnt in the classroom became clearer. We could see the grid-iron street patterns of the CBD, the mine dumps which now work as buffer zones, and the rapid urban sprawl the city is experiencing.

Lastly, we stopped by the SAB World of Beer where we went on a tour of the process of how beer is made. The objective of this stop was to learn about the hops plant and its functions in beer: bittering, flavouring, and stabilising the beer. This was beneficial as our case study for the year is the hops plant.

We drove past many interesting suburbs and streets, getting a closer look at urban greening, the Rea Vaya buses, hijacked buildings, and the rising business district of Rosebank. The trip was spectacular, but it would not have been the same without all the laughter and stories shared.

ASHLEIGH
FORM V

PRESIDENT'S AWARD

Congratulations to Catherine who completed her Gold President's Award.

She was presented with her gold badge and certificate in assembly recently. Catherine had to complete 72 hours of community service over 12 months, perfect a new skill, be dedicated to a physical activity for 12 months, complete a four-day adventurous journey and stay at a community service residential project for at least five days. Well done, Catherine, on this incredible achievement!

MELANIE BLAIR
PRESIDENT'S AWARD COORDINATOR

FROM THE VISUAL ARTS DEPARTMENT

On Friday 8 March, the Form III Visual Arts girls visited the Standard Bank Art gallery to view the current exhibition, *A Black Aesthetic: A view of South African Artists (1970-1990)*.

The exhibition draws mainly from the Fort Hare University, which has one of the largest holdings of a vast artistic production of black South African artists working between the period of 1970 to 1990 during the height of our country's strife leading to the first democratic elections in 1994 and thereafter.

A variety of artwork including paintings, drawings, prints, mixed media and sculpture was exhibited. Some of the artists featured include Dumile Feni, George Pemba, Gerard Sekoto, Sydney Kumalo, John Muafangejo, Durant Sihlali and Gladys Mgudlandlu. The works on display depict broad subject matter from resistance art to abstraction as well as everyday scenes recording the life of black South Africa in the last decades of apartheid.

FROM THE PEER COUNSELLORS

NATIONAL WOMEN'S HISTORY MONTH

This month, we celebrate Women's History Month, which is appropriate considering our school's 131 years of educating young girls and its bountiful history with regards to the successful women who have matriculated from St Mary's. It is essential to reflect on, and celebrate, the many women who have accomplished astonishing feats over the course of history, not only at St Mary's. Often, noteworthy women such as Emilia Earhart, Mother Teresa or Marie Curie jump to mind when confronted with the thought of, "Whom do we commemorate throughout this month?" These women did commendable work in their respective fields but, unfortunately, they are some of the few women we know about. It is vital to acknowledge women, particularly South Africans, such as Wendy Luhabe, Nicky Newton-King or Rapelang Rabana, who often miss out on the spotlight of commemoration for their significant efforts.

Wendy Luhabe is a social entrepreneur and author who created the first women-owned company to list on the Johannesburg Stock Exchange (JSE). Nicky Newton-King is the first woman to run the JSE, showing us what it means to break the glass ceiling. Finally, Rapelang Rabana, a computer scientist and entrepreneur, is making history as I write this, by using technology through her company, Rekindle Learning, to improve education in South Africa. I think it is safe to say that women are remarkable and it's important we spend time during this month to acknowledge the foundations laid by many influential women throughout history, inspiring us today

WORLD CHALLENGE EXPEDITION TO COSTA RICA

Jaimie braaing on night one

Getting ready to leave on day one

Climbing a rock face in Barberton

There were many river crossings

Hiking in the Klipriviersberg Nature Reserve

Twenty girls and four staff members will be travelling to Costa Rica in the April holidays with World Challenge to undertake community service, a five-day trek, white-water rafting and relaxation in the Caribbean. In order to check fitness levels and assist the girls with checking their gear, we undertook two practice hikes. The first one was in Barberton over three days; the second one was a half-day 15km walk in the Klipriviersberg Nature Reserve in Kibler Park, south of Johannesburg. These were invaluable for the girls to test out their

shoes and backpacks before our expedition and the parents who came with us on the second practice hike enjoyed themselves, too. Look out for more news on our expedition once we return, in May.

FROM THE MUSIC DEPARTMENT

MEET THE DEPARTMENTS: STRINGS

Louise Frahm-Arp

Christine Geldenhys

Elena Zlatkova

William Nobela

This week, the Music department would like to introduce you to the string teachers. There are three violin teachers: Elena Zlatkova, Christine Geldenhys and Louise Frahm-Arp, and a newly appointed cello teacher, William Nobela. All these musicians have and do perform professionally and have many years of teaching experience among them.

As parents, it is always daunting to decide which instrument your child should learn and St Mary's offers many opportunities for your daughters to try a variety of instruments.

The Senior School orchestra provides a perfect opportunity for the violinists and cellists to play together with other instruments and, at the school, there are occasions for girls to play in public as well as being members of contemporary music bands. Performing together is a wonderful musical team activity.

U16 age group

First quad upon hearing they won by 1 100th of a second

1st quad after the win of a lifetime

U15 age group

U14 age group

Photo finish: first quads race right down to the wire against St Andrew's!

The St Mary's rowing club ended their 2018/2019 season on a high note. Winning the South African Schools' Rowing Championships was the club's main goal and we are immensely proud to have achieved this. The U14s won their age group trophy with gold medals in the double and octuple. The U15s achieved a silver in the single sculls and a gold in the double. The U16 won the age group trophy as well as gold in the quad and the four. The Open age group won gold in the double, scull and quad, along with bronze in the pair. Congratulations to everyone!

It is sad that this fantastic season has come to an end but these results prove that our continuous efforts and spirit have paid off. It has been a privilege to be a part of such a wonderful club.

SARAH
ROWING CAPTAIN

EQUESTRIAN

Erin

The St Mary's equestrian team participated in the SANESA Core Qualifier 2 over 2 and 3 March at Eaton Farms in Kyalami and the SANESA Eventing Qualifier 2 on the 24 February at President Park in Springs. The girls and their horses achieved outstanding results across many different disciplines. The team is currently leading the F category with 10 605 points.

Our congratulations are extended to the following combinations who achieved excellent results over the two weekends.

SANESA Eaton Farms Core Qualifier 2:

- Erin (Show Jumping – Level 5) – 1st
- Erin (Show Jumping – Level 5) – 1st
- Erin (Working Hunter – Level 7) – 4th
- Nicola B (Performance Riding – Level 7) – 2nd
- Nicola B (Working Riding – Level 7) – 1st
- Nicola B (Equitation – Level 4) – 5th
- Nicola B (Show Jumping – Level 4) – 5th
- Nicola D (Dressage – Level 3) – 5th and 4th
- Nina (Handy Hunter – Level 3) – 2nd
- Nina (Working Hunter – Level 3) – 3rd
- Olivia (Equitation – Level 6) – 3rd
- Olivia (Working Hunter – Level 7) – 2nd
- Olivia (Handy Hunter – Level 5) – 1st
- Robyn (Show Jumping – Level 4) – 3rd
- Robyn (Handy Hunter – Level 5) – 3rd
- Sydney (Working Riding – Level 7) – 5th
- Sydney (Working Hunter – Level 5) – 3rd
- Sydney (Handy Hunter – Level 5) – 1st

SANESA Springs Eventing Qualifier 2:

- Nicola D (Level 6) – 2nd

NICOLA D
EQUESTRIAN CAPTAIN

WATER POLO

The water polo season ended off with splash with the 1st water polo team placing second at the Gauteng Schools' Reef Cup Water Polo Tournament. This tournament is the longest-standing tournament in Gauteng with the top 16 Gauteng schools battling it out for the final placings of the season.

In the final match of the tournament, the St Mary's team played against the number 1 ranked team in the country, St Stithians Girls' College. The St Stithians team lived up to their national ranking, winning the Reef Cup Water Polo Tournament 7-2.

Three 1st team players were selected for the Reef Cup All-Star Team: Hannah, Abigail and Kiara.

BASKETBALL

1st team

U14 squad

Inter-house basketball

The season was a very disruptive one owing to the unpredictability of the weather. Our girls remained enthusiastic, they attended practices and they have enjoyed matches where they could.

Recent results include matches against Michael Mount and Saheti. Our teams lost narrowly to Michael Mount who produce strong opposition year in and year out. The U14 match was most exciting and, ultimately, it ended with a two-point difference. This is very promising for the future of basketball at St Mary's.

Only two matches were played against Saheti. The juniors lost their match and the 1st team ended the season on a high note by winning theirs.

We are delighted with the growing interest in basketball. Our girls are enthusiastic and are commended on their commitment and their drive to improve. We are looking forward to hosting fixtures at St Mary's so that more of the girls may share in the excitement of this fantastic sport.

Mention must be made of our coaches and the role that they have played. We have a dedicated group of staff who have worked tirelessly

to improve the standard of the sport as well as the level at which we play. They have also helped to establish strong ties with other schools and this will definitely benefit us going forward. Thank you!

Senior inter-house basketball

The senior inter-house competition was competitive, exciting and it was played in good spirit. The event provided an opportunity for many of the older girls to play and enjoy themselves. The teams were prepared and the afternoon ran very smoothly. Thank you to all of those involved.

Final results:

1. Clayton
2. Phelps
3. Karney
4. Furse

TARYN DE WINNAAR
HEAD OF BASKETBALL

TENNIS

A inter-high team which placed second out of 25 schools: Ruth, Hannah, Annika, Sarah M

B inter-high team that won B inter-high Liliitha, Izabela, Amukelani, Alexis

C inter-high team: Sarah, Julianne, Jessica, Simone

The tennis season ended on a high note on Saturday 2 March with three St Mary's teams participating in the annual A and B inter-high competitions.

The A St Mary's team played excellent tennis throughout the morning to beat all teams in their pool and their opposition in the semi-final to reach the finals where they lost to a very strong Helpmekaar team. Helpmekaar turned the tables on the league result earlier in the week when St Mary's won the league, beating Helpmekaar in a convincing manner. The St Mary's team competed well in the finals and gave their best effort but fell short of retaining the title. Congratulations to Sarah M, Ruth, Annika and Hannah on their high standard of play. Twenty-five schools competed in the inter-high event.

The B inter-high was also played and this event is for players ranked from 5-8. The St Mary's B team played tennis of an extremely high standard to win all the matches in their pool and in the playoffs, beating Helpmekaar B in the final. Congratulations to Amukelani, Liliitha, Izabela and Alexis on winning the B inter-high title for the eleventh year in a row. St Mary's also entered a C team in the B inter-high and this team achieved an excellent seventh placing. Twenty-four schools participated in the B inter-high. Thank you to Ms Murray and Mrs Lowndes for taking the time to look after all the B and C teams respectively, to all the parents for their support, and to all the staff for coming to support the tennis players.

I thank all the tennis players for all their hard work, and commitment over the past season. It has been a very successful season on and off the court. I thank the matrices for all their hard work and commitment to St Mary's tennis over the past five years. They have laid a fantastic foundation on which St Mary's tennis will continue to grow and thrive. I thank the captains who have led their team from the front, with diligence and enthusiasm. A big thank you is extended to Ms Murray for all her help on and off the court and to Mrs Lowndes and Mrs Ingersent for accompanying the teams on Tuesdays.

DIVING

Inter-high diving

The annual inter-high diving competition took place on Wednesday 6 March. This year, we were allowed to compete with both an A team and a B team, which resulted in ten St Mary's girls participating in the competition. This year's competition was particularly tough, with the top three divers in the country, each competing in different age groups diving for St Stithians. This did not stop the girls in red from presenting some spectacular dives. I congratulate all the girls on their performances with a special congratulations to Kerry-Leigh Morrison in Form III for winning the under 16 age group.

The results from the afternoon are as follows:

1 st St Stithians	149
2 nd St Mary's	147
3 rd Kingsmead	130
4 th Brescia	118
5 th Pretoria	117
6 th St Andrew's	109
7 th Roedean	99
8 th Parktown Girls'	88
9 th St Dominic's	61

SQUASH

St Mary's entered four teams in the St Mary's DSG, Pretoria Squash Festival. The weekend was most enjoyable with St Mary's staying at the High Performance Centre at Tukkies.

The following schools entered: St Mary's DSG, Parktown, Uplands, Roedeane, St Andrews, Menlo Park High, Pretoria High School for Girls

and St Stithians. Although we did not win the festival, Team A placed second, Team B third in the A Section; with Team C first and Team D second in the B Section.

Well done to all players. The squash was exciting and challenging.

JENNIFER FOX
HEAD OF SQUASH

ATHLETICS

Congratulations to the following girls who have quietly been training with Anton or their own coaches, throughout the term. They ran in the D9 trials and all were selected to the team for the following events:

Jenna	U17	800m
Jade	U17	100m hurdles and 200m
Marion	U17	400m
Amy	U15	90m hurdles
Rachel	U15	long jump and 90m hurdles
Holly-Rose	U15	high jump
Jemma	U15	high jump

This past weekend, the athletes ran in the Gauteng Championships. Some of them found it eye-opening and terrifying to be competing against girls who eat, breathe and sleep athletics. It was a great learning experience and the girls can be proud of their efforts.

Sincere congratulations are extended to Holly-Rose who jumped a personal best of 1.60m in the U15 high jump and will now represent Gauteng at the SA High Schools' Athletics Championships, which will be held in Port Elizabeth from 20 to 23 March. The photograph above was taken in October – it is simply amazing to see the improvement in Holly's technique from then until now.

QUIX
HEAD OF SPORT

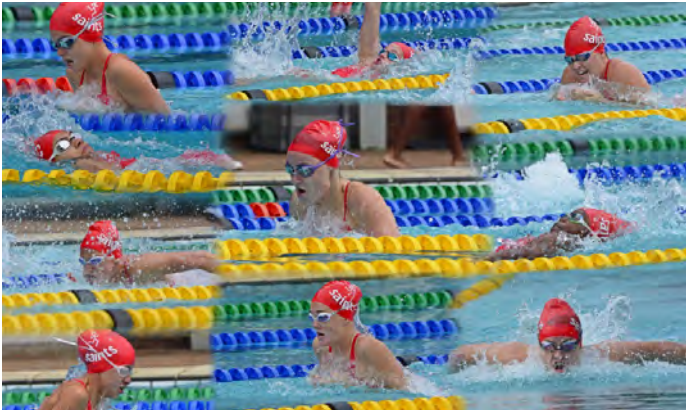

SWIMMING

With the season drawing to a close, we were all desperate for a clear day for the annual night gala. As luck would have it, it was a perfect late afternoon and 10 teams enjoyed a super event. The final results were as follows:

St Mary's A	416
St Andrew's A	379
St Mary's B	289
Kingsmead A	283
Assumption A	250
St Teresa's	214
Jeppe A	204
Kingsmead B	138

St Andrew's B	131
Assumption B	55

This week saw the culmination of all our early mornings, tough sessions and general hard work in the pool. The B team swam in the A gala on Thursday and were absolutely superb, winning by 51 points. Our A team swam in the Premier inter-high gala on Saturday and Mrs Zumpt and I could not have been more proud of the team. We were relentless in our efforts and, at one point in the gala, brought ourselves to within seven points of the untouchable St Stithians team. They escaped with a superb closing effort in which they won the last five races. Well done St Mary's swimmers!
